BUILDING PERMIT APPLICATION INSTRUCTIONS

**** No work may begin until the permit has been issued. Expect a wait of up to 2 weeks for the permit to be issued. You must call the office when you are finished with your project to schedule the required inspections. The following information is what needs to be included with the application ****

~ The permit application must be filled out completely to avoid delays. To ensure this, please make sure you have the following listed on your application:

- Site address/owners' contact/contractor's contact
- Permit type, please select what you are building or installing
- The Sq Ft measurements are ONLY applicable for additions and new builds
- Please communicate with the Code Enforcement Officer on what the building is to be used for (i.e. residential storage, business, commercial use)
- Both the owner and contractor must sign the application. You are responsible to make sure the required final inspections are complete

~ A certificate of insurance or a CE-200 (NYS Worker's Compensation Board) form must be provided. You can retrieve this form at this website: www.wcb.ny.gov.

~ Please include 2 copies of the plan of construction. The plans should show a footprint and profile of the work that is to be done or item to be installed. It must include dimensions of the work and materials being used. As well as a plot plan showing distances to lot line and structures must be included.

~ When paying for the permit, a fee schedule is provided on the Village of Albion website under Codes. Our website is, www.villageofalbionny.gov. Payment can be made out to the Village of Albion. The office will take cash, check & money order for payment but **cannot accept Credit/Debit cards.**

Incomplete applications will be returned and unapproved. If you have any questions, please call our office and someone will be able to assist you, (585) 589-7229.
